

Frequently Asked Questions

Regarding the Request for Proposals

Owner's Representative/Project Manager for the Mitchell Lake Improvements Project

This document will be updated as additional questions come through.

Q: Do we need to have a bird expert on the project team?

A: No, Audubon has bird expertise, but additional experts and knowledge are always encouraged and welcome.

Q: Are we required to attend an informational meeting to submit a RFP?

A: No.

Q: Who are the primary stakeholders during this process?

A: The Project Manager/Owner's Representative will report to Audubon and the local contact is Sara Beesley, Director. However, there will be additional coordination with the landowner, San Antonio Water System, and the funder, the City of San Antonio. All COSA, SAWS, and Audubon project requirements must be followed.

Q: Where can I find the correct link to the San Antonio Water System GOOD FAITH EFFORT PLAN?

A: https://apps.saws.org/business_center/contractsol/RFQ/1237/GFEP.pdf It is also located as a Downloadable Resource.
